

# Our amenities address your every need.

The Walter P. Miller Building, Fifth by Vine, has been completely renovated to provide you with the most modern conveniences and amenities available . . . in an accessible, convenient location.

Our amenities include:

- Elegant new lobby with floor sculpture
- Two new passenger elevators
- New plumbing, heating/cooling & electrical systems
- Over-sized thermopane windows provide extra comfort, dramatic light and views
- New restrooms
- State-of-the-art security system
- Beautifully restored and painted facade
- Freight elevator and loading dock service
- 70,000 square feet on four floors
- Public transportation within steps of the entrance
- Low cost, secure parking adjacent to building

## Our typical floor plan is anything but typical.

- Floor Plan Key:
- |                       |                     |
|-----------------------|---------------------|
| 1. Passenger Elevator | 7. Fire Stair       |
| 2. Freight Elevator   | 8. Janitor's Closet |
| 3. Mechanical Room    | 9. Restrooms        |
| 10. Parking           |                     |
